1. Introduction

- 1.1 The British Judo Association (“**BJA**”) is the national governing body (“**NGB**”) responsible for regulating within its jurisdiction the participation of persons in all the disciplines of the sport of judo in Great Britain (“**Judo**”). BJA is a Member Federation of the IBSA and IJF (as defined below) and is responsible for determining the participation framework for Judo.
- 1.2 BJA has a duty of care to all Athletes participating in Judo and it is BJA’s view that gender identity should not be a barrier to such participation. The purpose of this document is to provide clear eligibility and inclusion criteria (“**Eligibility Criteria**”) and processes relating to Transgender Athletes ability to participate in non-Competitive and Competitive Judo (this “**Policy**”). This Policy reflects BJA’s commitment to providing safe, fair, inclusive, and non-discriminatory opportunities for all Athletes.
- 1.3 BJA undertakes to make available (on request) electronic copies of this Policy as amended from time to time. Electronic copies of this Policy are available on the BJA website (the “**Website**”). The Website will also contain contact details in the event that (i) any person is unable to download this Policy; and/or (ii) any person requires this Policy in another format, for example, in braille or large print. All requests will be considered on their merits on a case-by-case basis. In circumstances where an individual has been recognised as having an intellectual impairment, BJA shall use all reasonable endeavours to communicate the contents of this Policy to such individual in the most appropriate manner and form in liaison with the parents of, or other persons with legal responsibility (where appropriate) for such individual.
- 1.4 BJA also agrees that in any case where there is an actual or alleged breach of this Policy by an individual who has been recognised as having an intellectual impairment, in considering whether or not there has been any such breach and/or in determining whether or not it imposes any sanction and, if so, what that sanction should be, BJA shall reasonably consider and take into account the nature and effect of the impairment. BJA will in good faith hear reasonable representations relating to this.

2.2 References to “include” and “including” in this Policy are to be construed without limitation.

3. **Background to the Policy**

3.1 Judo is a gender-affected sport as defined by legislation¹ in that the physical strength, stamina, or physique of average persons of one Biological Sex would put them at a disadvantage (or advantage) to average persons of the other Biological Sex, as competitors in an event of that gender-affected sport. BJA Competitions are therefore, separated into men’s and women’s competition categories. It is generally regarded that the purpose of Sex segregation relates to the fairness of competition and safety of Athletes. Due to the performance gap that emerges at puberty between biological males as a group and biological females as a group, separate Sex competition is necessary for the attainment of these objectives. Sport, therefore, uses Sex segregation as a mechanism to protect those who are physiologically disadvantaged due to their Biological Sex.

3.2 BJA is committed to: (1) ensuring equal opportunity for both Male and Female Athletes to participate and succeed in Judo, including through the equal representation in its programmes and competitions of Athletes of both Biological Sexes; and (2) ensuring competitive fairness and physical safety within BJA Competition categories.

3.3 On 12th November 2021, the IOC issued its new “Framework on Fairness, Inclusion and Non-Discrimination on the basis of Gender Identity and Sex Variations” (the “IOC Framework”). The IOC Framework granted autonomy to sporting international federations (including the IBSA and IJF) to determine the eligibility and inclusion criteria and frameworks for their particular sports. Following the IOC Framework and the earlier publication by the Sports Council Equality Group on the 30th September 2021 of “The UK’s Sports Councils Guidance for Transgender Inclusion in Domestic Sport”, BJA has undertaken a review of its eligibility and participation criteria resulting in the creation and adoption of this Policy. This Policy is intended to be comprehensive, fair and equitable.

4. **The Policy Objectives**

4.1 BJA is committed to the participation and inclusion of all Athletes in Non-Competitive Judo.

4.2 It is committed to the separation of Competitive Judo into men’s and women’s categories according to Biological Sex to ensure fairness of competition and safety of all Athletes.

4.3 The participation of Athletes in Competitive Judo is subject to the Eligibility Criteria. To the extent that any Transgender Athlete is able to satisfy the Eligibility Criteria, they may compete in BJA Competitions.

4.4 In light of these commitments, the objectives of this Policy are:

4.4.1 to allow all participants in Judo to take part in Non-Competitive Judo, regardless of their Biological Sex or Affirmed Gender;

4.4.2 to maintain the separation of Judo Competitions into men’s and women’s categories according to scientifically grounded, Biological Sex-based criteria;

4.4.3 to provide opportunities for Transgender Athletes to compete in BJA Competitions in the competition category that reflects their Affirmed Gender where they comply with the Eligibility Criteria; and

¹ As defined in section 195 Equality Act 2010

- 4.4.4 to provide a comprehensive, fair and equitable process by which Transgender Athletes may establish their eligibility to participate in BJA Competitions in compliance with the Eligibility Criteria.
- 4.5 The BJA is committed to actively exploring alternative competition structures that would enable Transgender Athletes who do not satisfy the Eligibility Criteria to participate in a competitive structure.
5. **Application of the Policy**
- 5.1 This Policy came into effect on the Date of Issue specified on the front cover.
- 5.2 This Policy shall apply to:
- 5.2.1 all Athletes competing in BJA Competitions;

- 5.3.4 any case involving a prohibited substance or other offence under the WADA Code, BJA Anti-Doping Rules, IBSA Anti-Doping Rules, IJF Anti-Doping Rules and UKAD Rules (as in place from time to time) which shall be dealt with by WADA, BJA, IBSA, IJF the IJF and/or UKAD according to the relevant Anti-Doping Rules.
6. **Eligibility Criteria**
- 6.1 All Athletes (including Transgender Athletes) are eligible to practice Non-Competitive Judo without Biological Sex segregation subject to Coaches ensuring that training occurs between Athletes of equivalent Grading, experience, competence, strength, weight and capability.
- 6.2 A Transgender Athlete may only be eligible to compete in the men's category or in the women's category in BJA Competitions if they are in compliance with the relevant Eligibility Criteria set out below. No Athlete is excluded from a BJA Competition based on their Legal Gender and/or Affirmed Gender PROVIDED THAT they comply with the Eligibility Criteria.
- 6.3 **Transgender Athletes are eligible to compete in BJA Competitions in a Sex category which is different to their Chromosomal Sex if they can establish to BJA's reasonable satisfaction that they did not experience any part of puberty beyond Tanner Stage 2 or before age 12, whichever is later.**
- 6.4 All issues relating to the eligibility of a Transgender Athlete under this Policy to compete in BJA Competitions in a Sex category which is different to their Chromosomal Sex will be determined by BJA's Inclusion and Participation Panel (the "**Panel**"). The Panel shall comprise of three independent representatives including one medical expert, one legal representative and one Judo representative (e.g., a Coach from the specific discipline within which the Transgender Athlete wishes to compete); all of whom shall possess the appropriate expertise ("independent" within this Section and Section 10relates to being independent of the case and the Athlete).

BJA's Head of Inclusion, Safeguarding and Wellbeing shall act as Chair and shall have the casting vote in the event that a decision is tied. The Panel shall not consist of any members of the BJA Board.

- 6.5 Where an Athlete and/or Transgender Athlete from another sport wishes to participate in Judo, BJA shall not recognise nor give effect to any decision of the other sport governing body relating to the Athlete's and/or Transgender Athlete's participation in that sport.

7. Eligibility Criteria for Men's Category BJA Competitions

- 7.1 All Male Athletes, are eligible to compete in BJA Competitions in the men's category, regardless of their Legal Gender and/or Affirmed Gender.

8. Eligibility Criteria for Women's Category BJA Competitions

- 8.1 All Female Athletes are eligible to compete in BJA Competitions in the women's category, regardless of their Legal Gender and/or Affirmed Gender.

- 8.2 Female Athletes who have previously used testosterone as part of female-to-male gender-affirming hormone treatment (with or without a TUE) but are no longer following that treatment are eligible to compete in the women's category in BJA Competitions if they can establish to BJA's reasonable satisfaction that (a) the testosterone use was for less than a year in total (i.e., from the date of first use to the date of last use) and did not take place during pubertal growth and development, and (b) their testosterone levels in serum (or plasma) are back to pre-treatment normal and any associated anabolic effects have been eliminated and (c) they are in compliance with Clause 8.3 below.

- 8.3 Female Athletes who have used testosterone in violation of the WADA Code, BJA Anti-Doping Rules, IBSA Anti-Doping Rules, IJF Anti-Doping Rules and UKAD Rules (as in place from time to time) (or any other applicable anti-doping rules) may return to competition after they have served their period of ineligibility.

At the time of appointment, the Panel shall be provided with a copy of the Application.
- 9.7 Upon notification of the Panel members, if the Transgender Athlete wishes to object to the appointment of a Panel member the objection must be made in writing within 7-days. The Transgender Athlete must include the basis of that objection. Unless the applicable Panel member withdraws or the other Panel members support the objection, the Chair of the Panel (unless the Chair is the subject of the objection in which case BJA shall decide), shall determine the matter and shall, if necessary, request that BJA appoint a replacement Panel member. If no such objection is received within that 7-days, the identity of the Panel members shall be deemed accepted by the Transgender Athlete.

- 9.12 For the avoidance of doubt, the Transgender Athlete shall not approach, intimidate or influence any Panel member and/or third party involved in the Application process.
- 9.13 Once the Panel is satisfied with the information provided by the Transgender Athlete, it shall invite the Transgender Athlete to meet virtually or in person, during which the Panel and Transgender Athlete will discuss the Transgender Athlete's current circumstances, their understanding of the risks both physically and mentally arising as a result of competing in a Sex category which is different to their Chromosomal Sex and any questions the Panel may have as a result of the Transgender Athlete's disclosures and the Transgender Athlete may have.
- 9.14 Following the meeting with the Transgender Athlete, the Panel shall convene within 14-days to determine the outcome of the Application.
- 9.15 Upon the conclusion of the Panel meeting, the agreed decision of the Panel (with supporting reasons) will be communicated in writing within 14-days to the Transgender Athlete and BJA.
- 9.16 Subject to the Appeals process set out below, the Panel's decision will be final and binding on all parties.
- 9.17 In the event that the Application is successful the Transgender Athlete shall not be entitled to participate in their desired Judo discipline and Sex category until such time as they have been provided with written clearance by BJA.

Any such information shared shall be on a need-to-know basis only.
- 9.19 The Panel shall conduct its Application assessment as expeditiously as possible and in accordance with the principles of natural justice. In the circumstances, the assessment process may be lengthy and potentially may span a number of months.
- 9.20 In its decision making, the Panel will consider the following factors:
 - 9.20.1 the Eligibility Criteria including evidence as to whether or not the Transgender Athlete wishing to compete did not experience any part of puberty beyond Tanner Stage 2 or before age 12, whichever is later; and
 - 9.20.2 BJA's legal obligation that it must not restrict the participation of Transgender Athletes unless it is strictly necessary in order to uphold fair and/or safe competition; any other restriction would amount to direct discrimination;

In particular, nothing in this Policy is intended to undermine or affect in any way any of the requirements of the WADA Code, of the WADA International Standards (including the International Standard for Therapeutic Use Exemptions), BJA's Anti-Doping Rules, IBSA Anti-Doping Rules, IJF Anti-Doping Rules and UKAD Rules (as in place from time to time). Nothing in this Policy permits, excuses, or justifies non-compliance with any of those requirements, including any requirement for a Transgender Athlete to obtain a TUE for the use of substances on the WADA Prohibited List, such as testosterone, spironolactone, or GnRH agonists (see further the WADA Athletes Therapeutic Use Exemption Physician Guidelines, available at www.wada-ama.org).
10. **Appeal Process**

- 10.3 Within 14-days from receipt of the Notice of Appeal, BJA shall acknowledge the Notice of Appeal and proceed to appoint an Appeal Panel and then notify the Transgender Athlete of the Appeal Panel members as soon as is practically possible. The Appeal Panel shall comprise of three independent representatives including one medical expert, one legal representative and

one Judo representative (e.g., a coach from the specific discipline within which the Transgender Athlete wishes to compete); all of whom shall possess the appropriate expertise. The Appeal Panel shall not consist of any members of the Panel, BJA's Board or BJA's Head of Inclusion, Safeguarding and Wellbeing. - 10.15 The decision of the Appeal Panel shall be communicated to all appropriate third parties (for example; the IBSA, IJF, IOC, IPC, WADA, /or UKAD) for the purpose of enforcement. So far as is practicable, confidentiality will be maintained at all times in respect of all those involved

unless there is an overriding obligation for such information to be shared with other interested parties. Any such information shared shall be on a need-to-know basis only.

- 10.16 The Appeal Panel shall conduct its Notice of Appeal assessment as expeditiously as possible and in accordance with the principles of natural justice. The Transgender Athlete should however be aware that the length of the assessment will be dictated by a number of factors, including, the number and availability of persons to be interviewed or contacted their and the Transgender Athlete's co-operation. In the circumstances, the assessment process may be lengthy and potentially may span a number of months.

11. **Compliance**

- 11.1 BJA may monitor a Transgender Athlete's ongoing compliance with the Eligibility Criteria by any appropriate means, including (where relevant) random or targeted testing of the Transgender Athlete's testosterone level in serum (or plasma) or further assessment. The Transgender Athlete agrees to provide whereabouts information and blood samples for this purpose on request, and also agrees that any samples or whereabouts information that they provide for anti-doping purposes and/or any anti-doping data relating to them may also be used for this purpose.
- 11.2 BJA shall maintain a confidential register of Transgender Athletes who have been approved to participate in their Affirmed Gender and each Transgender Athlete's clearance, in particular any hormone-related treatment, may continue to be reviewed every year, to ensure its continued validity.
- 11.3 A Transgender Athlete shall not be entitled to participate in their Affirmed Gender until such time as they have been provided with written clearance pursuant to this Policy.
- 11.4 Subject to Applicable Laws, in addition to the general power to monitor continuing compliance with the Eligibility Criteria, BJA may investigate, at any time:
- 11.4.1 whether an Athlete who has not filed an Application under this Policy is a Transgender Athlete who needs to establish their eligibility to compete in a particular BJA Competition category in accordance with this Policy; and/or
 - 11.4.2 any circumstances that indicate actual or potential non-compliance with this Policy; and/or
 - 11.4.3 where the eligibility of an Athlete or Transgender Athlete is questioned and/or disputed by a third party. BJA will work with the Athlete or Transgender Athlete to undertake a sensitive and confidential review of their circumstances and shall have the authority to take all appropriate measures for the determination of the eligibility of the Athlete, if it considers that there are grounds to do so. Such measures may include eligibility verification processes conducted by BJA and/or BJA appointed third parties. BJA will only consider reasonable third-party requests which are submitted in writing, and which BJA considers clearly sets out the grounds upon which the Athlete's or Transgender Athlete's eligibility is questioned and/or disputed.
- 11.5 In such cases, if they wish to retain their eligibility to compete in BJA Competitions, the Athlete or Transgender Athlete must cooperate fully and in good faith with that investigation. Where necessary to safeguard the fairness and/or integrity of competition and/or the safety of the competitors, BJA may provisionally suspend the Athlete or Transgender Athlete from competing in BJA Competitions pending resolution of the matter, provided that in such cases all reasonable endeavours will be used to complete the investigation as expeditiously as possible.
- 11.6 Any investigation under Section 11.4 must be initiated in good faith and on reasonable grounds based on information derived from reliable sources, such as (without limitation) information from the affected Athlete or Transgender Athlete, results from a routine pre-participation health

examination, or data as to testosterone levels and/or other data obtained from analysis of samples collected for anti-doping purposes.

- 11.7 In addition to the general power to monitor continuing compliance with the Eligibility Criteria, BJA may investigate, at any time any circumstances that indicate actual or potential non-compliance with this Policy by any Athlete (including Transgender Athletes).

12. **Disciplinary Proceedings and Sanctions**

- 13.1 Parents, or other persons with parental responsibility for all Athletes aged under 18 (or such younger age if applicable law so dictates) ("**Minor**") understand and agree, in respect of the Minor for which they have legal responsibility, for the Minor as an Athlete to be bound by all aspects of this Policy.

- 13.2 Any individual seeking information on the application of this Policy should contact BJA for assistance at safeguarding@britishjudo.org.uk.

14. **Data Protection and Confidentiality**

- 14.1 All cases arising under this Policy and in particular all Athlete (including Transgender Athlete) information provided to BJA under this Policy will be dealt with in strict confidence at all times in accordance with the provisions of Data Protection Legislation and BJA policies as in place from time to time.

Any such information shared shall be on a need-to-know basis only.
- 14.3 All medical information and data relating to an Athlete or Transgender Athlete will be treated as sensitive personal information and the Panel will ensure at all times that it is processed as such in accordance with applicable Data Protection Legislation. - 15.1 Transgender Athletes are responsible for the costs associated with their Applications under this Policy including for obtaining and transmitting their medical files to BJA and for undergoing any requested medical examinations, and (where applicable) for continuing to satisfy the Eligibility Criteria.
- 15.2 BJA is responsible for the costs associated with the Panel, the Appeal Panel and for any monitoring under this Policy.

16. **Miscellaneous**

In no circumstances will BJA, the Panel, the Appeal Panel, or any of BJA's employees, officers, agents, representatives, or other persons involved in the administration of this Policy be liable in any way for any acts done (or omitted to be done) in good faith in connection with the administration of this Policy.

17. **Continued Involvement**

- 17.1 BJA acknowledges that the application of this Policy means that certain Transgender Athletes may not be able to compete in the BJA Competition category that best aligns with their Affirmed Gender. Transgender Athletes who exercise the choice not to compete because of these Eligibility Criteria are encouraged to consider participating in Non-Competitive Judo, coaching, officiating, administration, and/or other ways to stay involved with Judo. For more information on how to become involved, please contact Head of Technical and Education BJA@britishjudo.org.uk.

17.2 Transgender Athletes may also seek to qualify for and compete in events that are organised and sanctioned by bodies other than BJA. BJA does not seek to limit the development by others of opportunities to participate in different competitions.
