Basic Rules:	<p>This Judo Ne-waza competition will be staged using the rules 1-5 set out by the IJF & European Judo Union; you can find a full explanation of these rules here: https://bit.ly/NewazaRules</p> <p>Below we have put a few of the key points.</p> <ol style="list-style-type: none"> 1. What is deemed Newaza - A minimum of one knee (or equivalent) must remain on the tatami at all times. If a technique requires momentary simultaneous removal of both knees from the tatami onto both feet, then it is left to the referee's discretion to determine if in his/her opinion this is a legitimate removal of both knees from the tatami. If a player stands up illegitimately, they will be given shido. 2. Mat Etiquette; <ol style="list-style-type: none"> a. Entering the tatami: When their names are announced the contestants will Rei onto the mat. Then when the referee beckons them forward, they will walk to the middle of the side edge of mat and Tachi-rei (standing bow) to each other. b. Starting & Restarting the Contest: When the referee is sure the table officials are ready, s/he will invite the competitors to middle of mat, when they are 1 metre apart, they will kneel down on their left knee and right knee up with foot flat and take a right handed collar & sleeve grip on one another. Hajime will indicate the start/restart of the contest. c. Termination of fight: Either by the referee's call of Ippon, and/or Sore-made both competitors will stand and tidy themselves up and return the standing start positions. The Referee will indicate the winner as shown by the scores on the scoreboard & players will leave the mat in the traditional fashion. (If no score is shown on the scoreboard or if the scores are equal then Newaza golden score will occur; see below. 3. Matte; If competitors become locked together with no one appearing to be able to gain an advantage then Matte should be called. The competitors are brought back to the centre of the mat.

	<p>4. How to win a Newaza contest.</p> <ol style="list-style-type: none"> a. Osaekomi is allowed in both events. 20 Secs = Ippon, 10-19 Secs = Waza-ari. b. Shimewaza (Strangles) & Kansetsuwaza (Arm Locks) are only allowed in Event 2 - Senior (14+ Years Old). Submission = Ippon. c. Tachiwaza Escape - As well a Submission being awarded Ippon to the attacking player; if a fighter attempts to stand up or to leave the allotted mat area to escape shimewaza or kansetsuwaza Ippon will be awarded. d. Hansokumake - Direct or accumulation of 3 shidos. e. Newaza Golden Score - see below. <p>5. In Newaza Golden Score fighters will take it in turns to hold one another down in a recognised kodokan hold down technique.</p> <ol style="list-style-type: none"> a. The player in white will start with their hold down applied on blue before blue has their turn at holding down white. b. The player with the best score will win the contest. For example if white holds blue down for wazari (10-19 second hold down) but Blue then holds white down for the full 20 seconds; blue would win the contest. c. If after each player has a turn both the scores are equal i.e white holds blue for Ippon and blue holds white for Ippon, a second round of hold downs will begin. d. Players must choose a different kodokan hold down for each round of golden score.
