Team B 10:00am – 10:30am
Team C 12:00pm – 12:30pm

Method of Competition and Rules (PLEASE READ CAREFULLY)

- Pools system will be used all day.
- BJA contest rules will be operative throughout the event
- Complete teams to weigh in together
- We will be using an open weigh in system for all judoka. Therefore, an allowance of 0.6kgs will be made for all players under 66/63kgs and 0.8kgs for under 73/70kgs and above weight categories.
- Team sheets must be completed and handed in at the weigh in.
- Clubs may have more than one team in each section. Please make it clear on entry who is in which team.
- Each team is allowed one reserve (for Teams Group A and B) or 2 reserves (Teams Group C). Teams are allowed to swap reserves in and out per team contest. However, if a reserve moves up a weight category during the day, they cannot come back down at all. No one can move down a weight category than what they weighed in at.

- Once a player has withdrawn from the team they will not be allowed to compete again.
- Teams of 2 in Teams A, B and C (women) are permitted and we will do our best to fill the empty spot with an individual. This is the same for teams of 3 or 4 in the Team C Mens.
- We encourage clubs/areas to work together to create teams where possible. This will make a better event for everybody!
- In regards to **Team C Women's category**, this year we are trialling a new system to encourage as many Women's teams as possible. In recent years we have had between 3-6 teams entering, but it would be great to have even more. There are no specific weight categories, simply the Women's teams will line up lightest to heaviest. However, please be sensible when creating your teams, and try to have a clear light, middle, and heavy weight. For example, one judoka weighing in the 50s, one in the 60s, and one in the 70s would be a good aim. If you enter 3 ladies all U52s, or 3 ladies all U78s, it is unlikely we can accept these entries as the weights must be safe and sensible. We are hoping attending clubs will work with us on this so we can encourage as many Women's teams as possible for 2025!

Individual entries:

- We would like to offer the opportunity for clubs to enter individual players if they would like to compete but do not have a full team. Therefore, please indicate on the form below if you have any individuals without a team and we will do our best to place them a team. Payment does not need to be made for this until confirmation that your individual will be competing.

Please Note:

High Wycombe Judo Centre has an on-site café and only food and drink purchased from our café is permitted to be consumed in our social area. No food or drink (only drinking water) is to be taken into the Dojo.
