2. An athlete will **normally** be selected to the GB Team delegation where he / she achieves one or more of the following levels of performance (prioritised in descending order):
 - 2.1. 1 x SNR IJF WR Event Grand Slam or Grand Prix Top 7 placing
 - 2.2. 1 x SNR European Open top 5 placing
 - 2.3. 1 x SNR European Cup medal

- 2.4. 3 x JNR European Cup medals.
3. If there are still spaces available in the GB Team delegation after selections made in SECTION 2, an athlete will be considered for selection where he / she achieves one or more of the following levels of performance (prioritised in descending order):
 - 3.1. 2 x JNR European Cup medals
 - 3.2. 1 x JNR European Cup medals, plus a minimum of 1 x top 7 placing
 - 3.3. 2 x CAD European Cup medals plus 1 x JNR European Cup top 5 placing
 - 3.4. European Cadet Championships (ECC) medal (Top 3 placing)
 - 3.5. European Youth Olympic Festival (EYOF) medal (Top 3 placing)
4. Once ALL selections have been made against criteria 2 and 3, if there are still spaces available in the GB Team delegation, British Judo reserve the right to make additional selections as stated in Section 8.
5. All training and International Competition will continue through the WCPP or Home Country programmes, therefore only athletes following the WCPP or their respective Home Country Development programmes will be considered for selection to the 2025 Junior European Championships.
6. In the instance of more than two athletes achieving the same levels of performance set out in sections 2 and 3 (as applicable) in any one weight category, the Selection Panel shall decide which athlete(s) to select taking into account the factors listed in section 7 and the provisions of section 9.
7. When considering selections, in addition to the level of performance achieved by an athlete, the Selection Panel shall take into account, and give such weight as it considers appropriate, to the following factors:
 - 7.1. Any athlete who may have been injured and had a Junior European or Junior World Championship top 5 placing in 2024
 - 7.2. An athlete's potential to win a medal
 - 7.3. An athlete's past result (Note: when considering 'results', factors other than the final placing may be taken into account – these factors may include such things as the standard of the event, the draw, the opposition, officiating, injury and any other factors that may have influenced the final results)
 - 7.4. An athlete's stage of development and their ability to win a medal in the future
 - 7.5. The athlete's commitment to the GB and/or HN Development Programme
 - 7.6. An athlete has won a minimum of 3 contests in a single Junior European Cup
 - 7.7. Current level of physical fitness
 - 7.8. Current and previous medical / injury history
 - 7.9. An athlete's suitability as a team member and/or as an ambassador for the BJA (Note: when considering 'suitability', factors such as behaviour and previous disciplinary record will also be taken into account)
8. If, after the Selection Panel has completed its consideration and selection of athletes under sections 2 and 3, there are still spaces available in the GB Team delegation, the Selection Panel may then consider and select additional athletes to complete a full team delegation if the Selection Panel deems such selection(s) would be beneficial to British Judo and/or the longer-

term development of the athlete(s) concerned. There shall be no obligation on the Selection Panel to select any athlete under this section 8. Athletes being considered for selection under this section 8 will be considered on an individual basis taking into account the factors listed in section 7.

All athletes who have met the Performance benchmarks at IJF WR Events and Junior European Cups in 2025 (Home Countries, Great Britain or Self-funded) will be eligible for selection to the 2025 Junior European Championships.

9. Save in respect of any selection made pursuant to section 2, the Selection Panel shall have the power to decide, at its discretion, and taking into what it considers will be in the best interests of British Judo, whether to select two, one or no athletes in any particular weight category.

The IJF Junior World Ranking List (WRL) is not considered as a performance standard for consideration of selection to the Junior European Championships, as WR points are accumulated over a 2-year rolling period, thus disadvantaging any fighter who only has a one year Junior performance competition programme. Additionally, as Bremen and Thuringia are key Junior events on the Junior circuit, but do not carry IJF Junior WR points, performances at these events would not contribute to a fighters overall Junior World Ranking.
